# Transformed Spaces: Organizational Design, Experience, and Culture

Greg Raschke  
NCSU Libraries  
September 2018

# Organizational Barriers

# Individual Hesitation

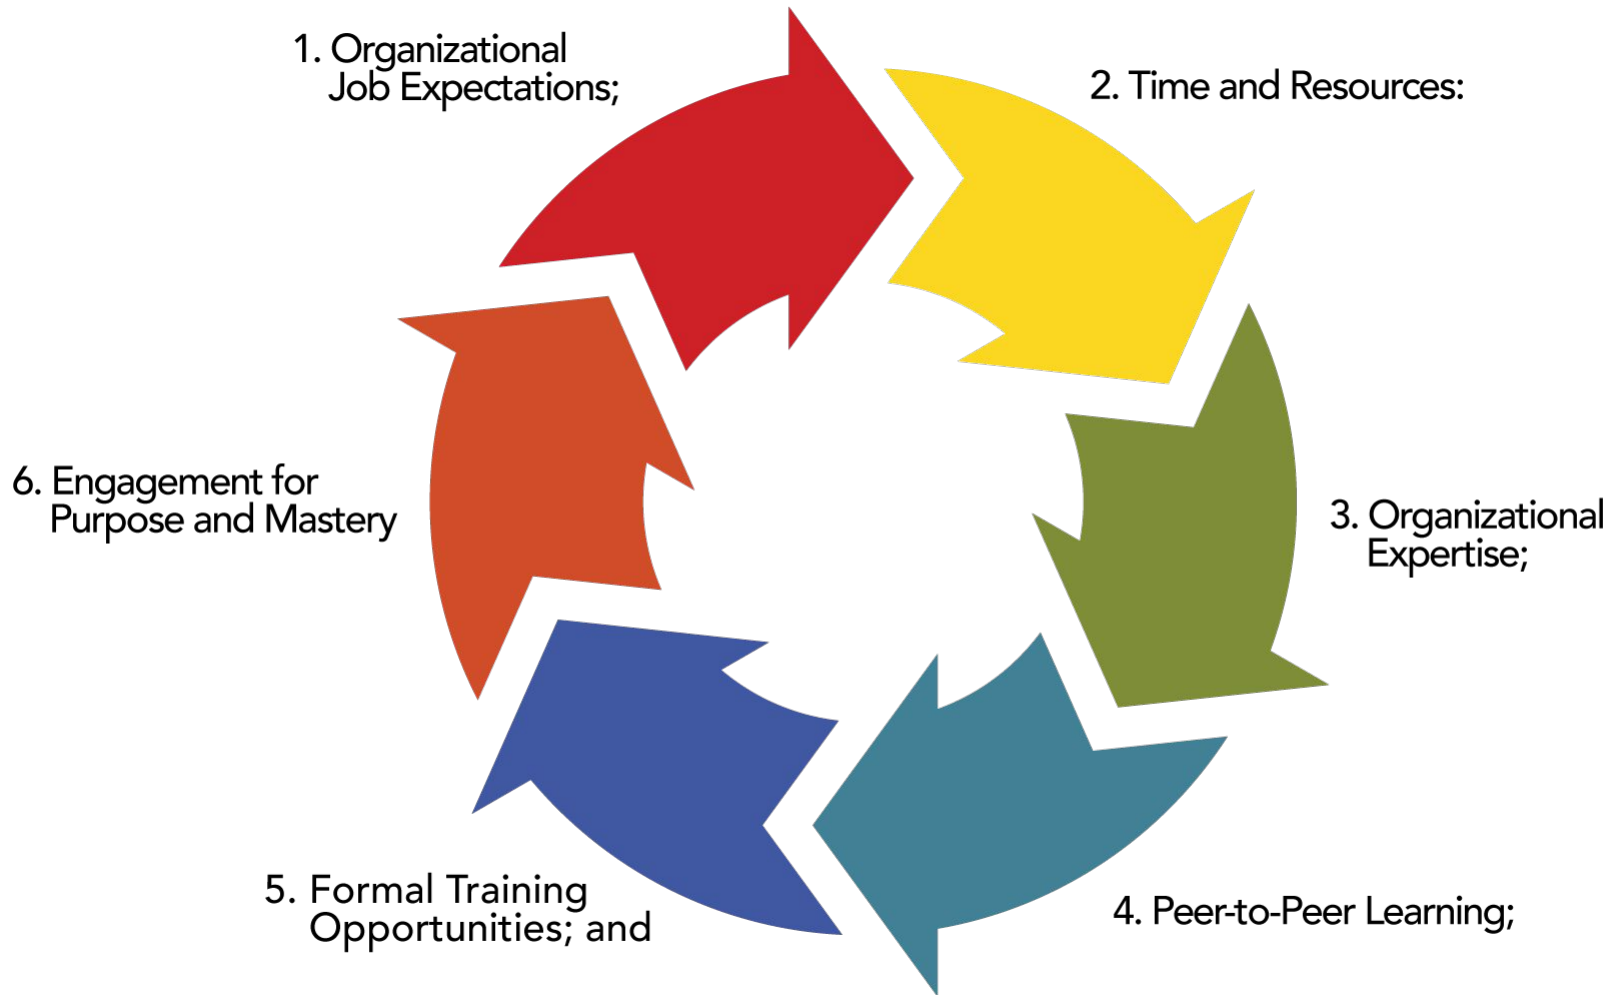

“What is missing is a **sustained commitment** to tackling the future of the research library, with an important component of that being the staffing requirements.” Deanna Marcum, Ithaka.

# Realizing the Opportunity and Aiming for More

"The Libraries has been more than a service provider, even more than a collaborator, they have expanded my idea of the possible." - Paul Fyfe, Associate Professor.
